SPONSORSHIP INVITATION

A Note from Our Commitee

Wishes work wonders, this we know to be true. Night of Wonders embodies the magic, joy and imagination of each child's wish. We are extremely proud to return as co-chairs for the sixth annual Night of Wonders gala– a re-imagined charity gala in an unconventional space.

Children's Wish Foundation BC & Yukon Chapter grants more than 100 wishes annually to children with life-threatening illnesses and serious genetic and neurological conditions. To date, this gala has raised nearly $1.5 million, granting wishes to 150 children!

As we return to London Aviation Centre for 2019's gala, we look forward to providing guests with a refreshed interpretation of this stunning airplane hangar venue, and sharing more inspiring wish stories.

Night of Wonders Committee Co-Chairs

“You and your team do such a wonderful thing for families in need. You give them joy that will help see them through the hardest, most heartbreaking times. I feel privileged to be a small part of such a wonderful evening. The event was magical.”

– Sophie Lui, Global BC, Event Co-Emcee

“What a great event. You and the team continue to raise the bar.”

– Steve Munford, Supporter

“The trip we shared together brought a warm light to help soothe the pain in our lives. It allowed us to move forward with inspiration, but to also celebrate a successful recovery at a place that meant so very much to our family. Thank you so, so very much for touching our lives and bringing this joy, we will be sure to pay it forward every chance we get for the rest of our lives.”

– Dawn, Wish Mom
